Verona: the City General Informations

- **Inhabitants**

Since 2001, thanks to the increase of foreign immigrants, there has been a steady increase in residents, which since the last census were 257.984 as follows: Italians 222.336; foreigners 35.648; males 122.046; females 135.938.

- **Territory and Climate**

The city rises along the banks of the river Adige, where it enters the Po Valley. Verona has a dominant continental climate, with a microclimate influenced by the urban area and the pre-alpine system that determines temperatures slightly higher than the neighboring areas of the plain. Rainfall is concentrated between the end of April and the beginning of June, and between October and the beginning of November, with a peak in August, which was on average the wettest month of the year.

In April, the average temperature is around 13 ° C, but it can also reach 19 ° C.

- **Infrastructures and Transportation**

Verona is a motorway junction intersecting the A4 Milan-Venice, with exits to Verona Est and Verona Sud and the A22 Brennero motorway, with exit at Verona Nord.

Verona is also reached by the National Road 434 Transpolesana, which connects it with Rovigo, from the State Road 11 Padana Superiore connecting Turin to Venice, from the State Road 12 of Abetone and the Brennero connecting Pisa to the Brennero pass and the national road 62 of the Cisa that connects Verona to Sarzana. The city is served by a ring road system:

West Ring Road
South Ring Road
Tangenziale Est

At the Verona railway junction the Brennero railway line, the Verona-Bologna line, the Milan-Venice railway, the Verona-Mantova-Modena railway and the Verona-Rovigo regional interest line. The city is served by the Porta Nuova Station, the main passenger system, which is 1.2 km from the city center, and that of Porta Vescovo.

- **Urban mobility**

The urban and interurban mobility of Verona is carried out with car services managed by the Verona Transport Company.

Verona Station Porta Nuova - Catullo Airport connects the main Verona station with the Villafranca Catullo Airport in 15 minutes.

The Municipality has a network of cycle paths, and since 2012 a bike sharing service is active. As for the Taxi, instead, Verona has formed the Radiotaxi Verona Union, which associates more than 170 taxi drivers.

It offers all the possible services in the field of transport: taxi for the disabled, collective taxis on the occasion of fairs, rental with driver, services in agreement, airport connections, with the possibility of payment by credit cards.

Confirmation of Results

The fencers are responsible for checking if the results in their pool and the DE sheets are recorded correctly. The screens placed in different locations will allow a quick verification of the updated results of the round of pools and DE matches.

To avoid any kind of error, the DT will publish the results of the pools and the list of qualified and eliminated fencers as soon as the round of pools is over. Delegations must submit any protest to the DT within 10 minutes. After this deadline, the ranking will not be modified.

- The DE tables, together with the schedule and pistes, will be posted after this 10-minutes period and after each round of DE
- Only documents presented at the information stand are official (result of preliminary competitions of groups, an individual ranking)
- No calls will be made via microphone.

Organization of the Individual direct elimination T32

- For T32 all fencers must be present in the official warm-up area (pistes 1-20) 40 minutes before the scheduled beginning of their matches.
- Fencers must report to the Call Room (without weapon control) 20 minutes before the scheduled beginning of their matches to be lead to the coloured pistes at the scheduled time. Coaches are not allowed to be in the Call Room.
- The wireless system will not be used at any stage of the competitions.
- The SEMI delegates will remit the weapons in closed fencing bags, which will be carried by volunteers who will escort the athletes to the coloured pistes. The bag is to remain closed for the entirety and put in the team box under the supervision of the volunteer. During the one minute break, or when it is needed, the volunteer will bring to the athlete a chair, a towel, some water and the spare weapon.
- Athletes are to leave the Call Room ready to fence, mask in hand and weapon already plugged into their body wires.
- Attention! In case the fencer does not report to the Call Room at the appointed time (according to time specified in the schedule) the sanction in the rules (art t.120) will apply.
